

PROJECT TIMELINE

PHASE I Survey Phase

2017-2018
Alternatives Development

June 2018
Informational Public Meeting

Fall 2020
Scope of Work

PHASE II Design and Right-of-Way

2021 - 2024
Detailed Design

2024 - 2025
Right-of-Way Acquisition

PHASE III Construction

2027 (tentative)
East Segment

TBD
Middle & West Segments

Note: This schedule is subject to change. Factors such as design complications, funding availability, availability of contractors, and right-of-way acquisitions could lengthen the timeline.

MONTANA
Department of Transportation

1st Avenue North is a complex project. Due to funding constraints, the project has been split into three segments to accommodate phased construction:

EAST SEGMENT

From the railroad crossing between N. 22nd Street and N. 20th Street to N. 9th Street, as well as a short portion of N. 13th Street.

MIDDLE SEGMENT

N. Broadway to the railroad crossing between N. 22nd Street and N. 20th Street.

WEST SEGMENT

Division Street to N. Broadway

The entire project is currently in the design phase, and MDT has partnered with the engineering design consultant, Sanderson Stewart, to get the first segment of the project ready for construction, tentatively scheduled for 2027, with the remaining segments to follow.

DESCRIPTION

Through the 1st Avenue North–Billings project, the Montana Department of Transportation (MDT) will reconstruct approximately two miles of 1st Avenue North, from Division Street to N. 9th Street.

Planned Project Improvements:

- New curbs and gutters
- Stormwater
- New ADA-compliant sidewalks
- New on-street parking
- New street lighting
- Replacement of the North 13th Street traffic signal
