

Electronic Bid Withdrawal

Bid withdrawal through Bid Express and AASHTOWare Project Bids has now been made available. Electronic Bid withdrawal is permitted in contracts with the inclusion of the special provision titled 'Bid Withdrawal.' Bidders may continue to submit a pdf document of the bid withdrawal form via email or a hard copy as outlined in the special provision and Section 102.11-Withdrawal of Proposals.

Bidders may withdraw a bid using both the electronic option and by submitting the email/hard copy form if so desired. **Using both methods is not required to withdraw a bid.**
