

“Calling All CFI’s & Chief CFI’s!”

Each year, MDT Aeronautics sponsors an annual FAA approved Flight Instructor Refresher Course! This year’s FIRC will be held at The Red Lion Colonial Hotel in Helena, Montana on February 7th and 8th, 2014. If you are in need of a CFI renewal, you may fill out the registration on the inside of this brochure. Be sure to mail it and a form of payment to the MDT Aeronautics Division no later than January 20, 2014! Classroom size is limited and it does fill up fast!

Summary

This clinic is designed to provide the instructor with the tools necessary to train students in the art of navigation, including understanding the functionality and use of Temporary Flight Restrictions (TFR), “floating” TFRs, National Security Areas and Flight Restricted Zones. The instructors will be provided with training techniques for the various types of SRSUA, their use and restrictions, the precautions when flying in close proximity to SRSUA, and the penalties for violating the restrictions imposed on SRSUA.

At the completion of this clinic, the instructor will have a working knowledge of the common elements of navigation, TFR’s, and SRSUA, including their proper use and limitations.

Instructors wishing to renew their certificate as part of this FIRC must attain a minimum score of 70% on any written test given as part of this syllabus.

Instructors wishing to renew their certificate as part of this FIRC will be required to successfully complete all tests, which may include questions from any presentations based on this unit. The final test will be a comprehensive compilation of questions from both days.
