

Belgrade to Bozeman Frontage Road Corridor Study

The Montana Department of Transportation (MDT), in partnership with the Federal Highway Administration and in coordination with Gallatin County and the cities of Belgrade and Bozeman, is developing a corridor study of the Frontage Road between Jackrabbit Lane in Belgrade and the Interstate 90 westbound on- and off-ramps at North 7th Avenue in Bozeman.

This informational meeting will be held on Tuesday, Nov. 1, in the Lewis/Madison Room of the Best Western Plus GranTree Inn, 1325 North 7th Avenue, in Bozeman. The meeting will begin at 6:00 p.m. with an open house to review and discuss the existing and projected conditions followed by a short presentation at 6:45 p.m. Project team members will be available during the meeting to discuss the study.

The purpose of the meeting is to inform interested parties about the scope and purpose of the planning study, and to solicit input on the existing conditions and projected conditions and concerns with the study area that may be relevant to the transportation planning effort.

The Belgrade to Bozeman Frontage Road Corridor Study is a planning-level study and is not a design or construction project. The study allows for early planning-level coordination with the public, stakeholders, and environmental resource agencies.

A study website has been developed and can be accessed at:
