Fifteen year old Lauryn Kate Goldhahn, a member of the Fairfield Lady Eagle volleyball team, was the passenger in a vehicle that was involved in a rollover accident just 1 mile northwest of town on August 25. Lauryn, who was not wearing a seatbelt, was ejected from the pickup after it rolled two and a half times before coming to a halt as it struck a power pole. She was thrown a distance of around 50 feet, and suffered some very significant injuries that would eventually lead to her death. Lauryn was transported to Benefis Hospital in Great Falls, and later that night flown to Harborview Medical Center in Seattle. On the night of August 27 at 11:47 PM, Lauryn's doctors pronounced her dead after a series of non-responsive neurological tests.
