MONTANA MILEAGE TABLE

Mileage between two cities is determined by following the vertical column under one city and the horizontal column of the other.

Mileages are computed by using red mileage figures between red stars; notes at map edges showing distances to out of state cities are from last red star on map.

TRAFFIC REGULATIONS AND SAFETY RULES

(PLEASE READ CAREFULLY)

1. Maximum speed limit is 75 (65) day and night on interstate (Four-lane) rural highways and 55 MPH day and night on all primary and secondary (Two-lane) roads. Drive at a reasonable speed according to road conditions.
2. Hitchhiking is illegal. It may be restricted by a law, and children under ten years of age must be accompanied by a child-helping person.
3. Abandoning Vehicles No vehicles shall be parked or left standing on the right of way of a public highway for a period of time longer than 24 hours without the consent of the property or city property.
4. Vehicles entering through highways must yield Right of Way.
5. A signal of intention to turn right or left shall be given for at least 100 ft. in business, residential, or urban districts and at least 300 ft. elsewhere.
6. Motorcycles and quadricycles must be operated with lights on at all times when operated on a public highway or street. Not more than two motorcycles may be operated side by side in a single traffic lane. Motorcycle riders and passengers must wear protective headgear. All persons under 18 years of age must wear approved headgear when operating on any public street or highway.
7. Dim your lights when approaching within 1000 ft of another vehicle (both the front and 300 ft from the rear). Do not use spotlights or auxiliary lights when meeting another vehicle or when following within 300 ft.
8. Accidents resulting in death, personal injury or property damage of an apparent extent of $500 or more must be immediately reported to the nearest police office. Drivers involved in accidents resulting in injury or death are required to give their name and address and exhibit their driver's license to the person struck or the driver or occupant of any vehicle collided with and render reasonable assistance to any person injured in such accident, including the carrying, or the making of arrangements for the carrying, of such person to a physician or surgeon for medical or surgical treatment if it is apparent such treatment is necessary or if such carrying is requested by the injured person. Any person operating a motor vehicle which is involved in an accident that results in death, injury or property damage exceeding $400 requires a written report be filed by the driver with the Montana Highway Patrol, Helena.
9. Drivers approaching school buses displaying flashing red signals and loading or unloading school children must stop and remain stopped until the signals are withdrawn.
10. Littering upon or near highways prohibited. Penalty for violation is imprisonment or both.
11. PREVENT FOREST FIRES-USE YOUR ASH TRAY. During the Forest Fire Season persons building fires in forests or on lands adjacent thereto must obtain a permit from the nearest forest officer.
12. Montana highway regulations provide that no combination of auto and trailer shall exceed 75 ft. in length, 8 ft. in total outside width, or 14 ft. in height except with a permit. Three unit combinations have special reserve load restrictions. Trailers must be equipped with a safety chain or cable of at least ½ in. diameter, and with a tow bar and side marker lamps when required shall display an amber color on the rear. Trailers of 3000 lbs. gross or less shall be equipped with a steel chain or cable of at least ¼ in. diameter, securely attached to the towing vehicle. Trailers of 3000 lbs. gross or more shall be equipped with a safety chain or cable and with brakes unless (a) the towing vehicle is a truck tractor having a gross weight of 12,000 lbs. or more or (b) the towing vehicle is a truck-tractor having a gross weight of 6,000 lbs. or more and the trailer is a semi-trailer designed for use by the truck tractor and the gross weight of the trailer does not exceed 3,000 lbs. or (c
