Solicitation of FFY 2016 project proposals

Each state has a Highway Traffic Safety Section that receives and manages funding from the National Highway Traffic Safety Administration (NHTSA) for implementing behavioral programs aimed at improving traffic safety.

The State Highway Traffic Safety Section of the Montana Department of Transportation (MDT-SHTSS) serves that function in Montana, under the leadership of the Governor's Representative for Highway Traffic Safety.

Applications are now being accepted for the FFY 2016 (October 1, 2015 through September 30, 2016) projects.

- Applications for ALL FFY 2016 NHTSA funded proposals must be submitted to MDT-SHTSS by March 1, 2015.
