

Public Meeting

I-94 Rest Area Corridor Study

The Montana Department of Transportation (MDT) invites you to attend a public meeting to discuss the I-94 Rest Area Corridor Study.

The study examines existing and proposed rest areas within the I-90 corridor from Big Timber to Columbus and the I-94 corridor from Billings to Miles City. The purpose of the study is to assess the current condition of rest area locations, determine the feasibility of upgrading existing facilities, and prioritize proposed improvements. Findings and recommendations from the study will be discussed at the meeting, including the proposal to construct a new rest area at Fort Keogh.

Review the Draft Corridor Study at:

- Miles City Public Library (One South 10th Street)
- Miles Community College Library (2715 Dickinson Street)
- MDT Glendive District Office (503 N River Avenue)
- MDT Helena Headquarters Office (2701 Prospect Avenue)
- Call MDT Glendive District at (406) 345-8200 for a CD

Comment Period: August 24, 2009 to September 25, 2009
