

## **Informational Meeting**

**Present Draft Maclay Bridge  
Planning Study  
Missoula County  
Thursday, January 31, 2013 6:00 p.m.  
GuestHouse Inn, Suites & Conference  
Center  
3803 Brooks St., Missoula, MT**

Missoula County, in partnership with the Montana Department of Transportation (MDT) and Federal Highway Administration (FHWA), initiated the development of the Maclay Bridge Planning Study to determine potential needs of the Maclay Bridge and connecting roadways within the area. The purpose of the meeting is to present the screening process, and to gather feedback on the draft planning study report.

The planning study identifies potential options and assists in facilitating a smooth and efficient transition from transportation planning to future project development/environmental review, if any, based on need and funding availability. The Maclay Bridge Planning Study is a planning-level study and is not an environmental analysis, design or construction project. The Maclay Bridge crosses the Bitterroot River approximately 2.75 miles west of Reserve Street via North Avenue. North Avenue connects to the existing bridge as the eastern approach, and River Pines Road serves as its western approach.

The meeting is open to the public and the public is encouraged to attend. Local governments attempt to provide accommodations for any known disability that may interfere with a person's participation in this meeting. For reasonable accommodations to participate in this meeting, please contact Jeff Key, Robert Peccia & Assocs. Inc, at (406) 447-5000 at least two days before the meeting. For the hearing impaired, the TTY number is (406) 444-7696 or (800) 335-7592, or Montana Relay at 711. Alternative accessible formats of this information will be provided upon request.

Comments may be submitted in writing at the meeting, by mail to Sheila Ludlow, Project Manager, MDT, P.O. Box 201001, Helena, MT 59620-1001 or online at [www.mdt.mt.gov/mdt/comment\\_form.shtml](http://www.mdt.mt.gov/mdt/comment_form.shtml) Please indicate comments are for the Maclay Bridge Planning Study.
