To register  
• Go to http://cert.safekids.org  
• Click on “Find a Course” and follow the instructions  
• The $85 registration fee includes your first two years of certification

2015 National Child Passenger Safety Training Dates & Locations

Classroom Information

- Hands-on activities to become familiar with all types of car seats and seat belt systems
- Learn which car seat systems are appropriate for different age & weight of children and how to correctly install them
- Optimal instructor-participant ratio for maximum learning

Course highlights

- Reference manual to take home
- 20-32-hour course with intermittent written tests
- Hands-on experience installing car seats
- Participate in a real community car seat checkup event!

Become a certified child passenger safety technician.

Use your new skills to teach parents and caregivers about proper car seat safety for their children.

Make a difference...

Help ensure Montana’s little ones are safer while traveling.

Who should attend?

• Parents  
• Car dealerships  
• Teachers  
• Child care providers  
• Firefighters  
• Head Start personnel  
• Law enforcement  
• Caregivers
