MONTANA LAW (67-3-201) REQUIRES THAT: A Montana resident who owns or purchases an aircraft (including ultralights) and who customarily keeps that aircraft in the state must register it with the Montana Aeronautics Division within 30 days of acquisition and renew the registration by March 1 each year. Aircraft brought into the state to engage in commercial operations must be registered prior to commencing such operations. All fees paid after March 1 are prorated and rounded to the nearest dollar. If you have questions on pro-rated fee please call Patty Kautz at (406) 444-9580 or email pkautz@mt.gov.

Montana Law also has a mandatory Pilot Registration (MCA, Title 67-3-211, Chapter 3, Part 2), the annual fee is \$10.00 (this includes a subscription to our monthly newsletter). You can call and request a current form at (406) 444-2506 or email kdimick@mt.gov.
