			Total District 1			35,000,000	

This list contains projects from MDT's current program that are candidates for economic recovery funding. The ability to fund all projects on this list with economic recovery funding is dependent on actual project costs and funding available to MDT through the American Recovery and Reinvestment Act of 2009 (ARRA). Additional candidate projects have been identified to ensure that all the ARRA funds will be fully utilized to meet obligation deadline requirements and other conditions.
