

# STATE OF MONTANA

## JOB DESCRIPTION

*Montana state government is an equal opportunity employer. The State shall, upon request, provide reasonable accommodations to otherwise qualified individuals with disabilities.*

**Job Title: Program Accountant**                      **Position Number: 20004, 21035, 21040, 21042**

**Location: Helena**                      **Department: Montana Department of Transportation**

**Division and Bureau: Administration, Accounting Services Bureau**

**Section and Unit: Accounting Treatment Section**

### **Job Overview:**

The Program Accountants ensure accounting treatment is recorded in accordance with GAAP, maintain accurate and reliable financial statements, establish and maintain internal controls, conduct financial monitoring to ensure cost efficiency and compliance within the Department's accounting, budgeting and fiscal bureaus. Ensures state compliance with complex federal regulations and establishes goals, objectives and priorities for all accounting functions. Provide technical assistance to division/district financial contacts, budget analysts, and project management to ensure consistent application of policies and procedures. Reports to the Accounting Treatment Section Supervisor.

### **Essential Functions (Major Duties or Responsibilities):**

#### **Program Accounting Treatment - 60%**

##### **Level I**

- Initiate and review basic and routine accounting transactions to ensure appropriate accounting treatment is applied.
- Perform monthly reconciliations of assigned account(s) and fund(s). Complete reconciliation between SABHRS and the MDT cost accounting system (CARES).
- Complete assigned fiscal year-end tasks.
- Review monthly Trial Balances and assist in financial statement preparation.
- Attend monthly financial team meetings with the Programs/Divisions supported.
- Perform financial analysis for the purposes of ensuring consistent and proper accounting treatment between programs. Demonstrate an understanding of the differences in basis of accounting treatment between governmental and proprietary funds.
- Verify accounting treatment of a transaction and understand the budgetary implications.

## **Level II**

- Recommend changes where necessary or appropriate for financial reporting structure for SABHRS funds, orgs, subclass and account coding. Ensure consistent and proper account coding between programs.
- Review and approve varying routine transactions of assigned program on a daily basis. Recommend correcting journal entries and financial accounting and reporting needs as appropriate.
- Each month, analyze account balances related to assigned programs and resolve irregularities and unusual balances. Reconcile, review and analyze monthly SABHRS and CARES reports.
- Analyze assigned program financial transactions to ensure consistent accounting treatment and compliance with Department and state accounting policy and procedures. Review and approve Departmental transactions for assigned programs and verify all proposed non-routine transaction decisions with Accounting Treatment Section Supervisor.
- Ensures proper measurement focus and basis of accounting is applied to all financial transactions and is in compliance with GAAP by working with division and district financial contacts.
- Review audit recommendations from LAD, IAU, and other program-specific reviews and audits from the federal government. Monitor implementation status of audit corrective action plans developed in response to audit recommendations. Provide technical assistance to division/district financial contacts in implementing audit corrective action plans.
- Monitor established FYE procedures to ensure accurate financial information is reported on SABHRS. Establish, perform, and monitor specific FYE procedure to ensure reasonable, accurate and consistent accounting treatment consistent with state and Department policies. Assist with developing responses to DOA inquiries specific to a Program. Review DOA FYE weekly reports and address issues.
- Analyze monthly trial balances and prepare financial statement reports and project future cash needs.
- Assist Budget Section with completing program financial information for the financial status report. Provide explanation of changes in accounting treatment and assist with Long Range Planning Document (LRPD) development.
- Attend and provide input during monthly financial team meetings to review financial information with budget staff, program staff, and ASO staff.
- Add, update, retire and maintain capital assets within SABHRS Asset Management module per MOMs policy. Maintain adequate supporting documentation and ensure proper accounting treatment related to all asset activity.

## **Level III**

- Update and maintain the SABHRS financial reporting structure, including effect on organization's subsystems as a whole in collaboration with the ATS Supervisor. Ensure consistent and accurate information is reconciled between MDT systems and SABHRS.
- Initiate procedural changes, complex coding transactions, and/or system updates in collaboration with the ATS supervisor. Identify, research and propose changes to existing accounting treatment to better improve the transparency and accuracy of MDT financials.

- Review and approve departmental transactions for assigned programs, review and approve all non-routine transactions, initiate correcting entries. Review and approve departmental transactions of non assigned programs and ensure consistency between programs.
- Analyze monthly account balances; research, resolve and reconcile irregularities, initiate correcting entries. Perform reviews and in depth analysis of account irregularities or errors and initiate the appropriate corrections.
- Review trial balance activity to ensure measurement of focus is accurately reflected in the appropriate ledgers and fund type. Verify account classifications are correct per GASB.
- Review audit recommendations and recommend corrective action plans based on those audits. Assist in the formulation of responses to audit recommendations.
- Identify Department-wide financial accounting and reporting needs. Work with various departmental staff to develop and produce financial reports to aid in decision making by management.
- Assist ATS Supervisor in implementing business process changes to FYE procedures and serve as the lead Program Accountant during FYE for purposes of ensuring consistency, efficiency and a quality outcome. Communicate all FYE deadlines and requirements to financial contacts. Review and maintain tracking spreadsheet of all program related accruals, accrual payments and accrual reversals. Initiate all accrual related federal aid fund switch journals.
- Demonstrate a complete understanding of SABHRS Asset Management transactions and all necessary clean up entries. Initiate all contributed capital entries, perform FYE CWIP adjustments and reconcile all capital expenditure activity to ensure there is a zero balance at FYE.

## **Grant Management and Grant Operations - 10%**

### **Level I**

- Identify program specific funding sources and specific grant(s).
- Recognize basic grant requirements per state and federal guidelines such as purpose, time and amount.
- Awareness of federal aid project coding and an understanding of how various grant related chartfields effect the accounting treatment and reporting.

### **Level II**

- Reviews general grant operations and grant management for efficiencies. Provides solutions and recommendations as necessary to improve tracking and recording of costs efficiently and effectively.
- Provide technical advice and assistance to financial teams with regard to appropriate accounting treatment and proper accounting structure provide per GAAP, MOMs and MDT policy. Provide technical assistance for non-routine accounting issues to ensure expenditures are coded to the proper budget authority (subclass) within the Department's accounting structure.
- Notify Financial Contact of local agencies who are not in compliance with the Single Audit (A-133) requirement and ensure payments are withheld until they become compliant.

### **Level III**

- Understand ASO initiated fund switch entries and impact on financial statements; resolve and reconcile differences where necessary between and among Department sub-systems and SABHRS.
- Provide technical assistance to division/district financial contacts for grant operation accounting.
- Implement and monitor the control structure and review and document of program compliance, regarding 2 CFR 200, including Single Audit follow-up. Assess and ensure that controls are in place to ensure compliance with federal regulations pertinent to federal funding.

## **Internal Controls - 25%**

### **Level I**

- Demonstrate a fundamental understanding of internal controls of related financial processes.
- Apply ethics, due care and competence in daily work.
- Adherence to established deadlines.
- Understanding and application of state and federal policies and regulations such as MOMS and CFR.
- Document day-to-day procedures and ensure they are maintained to reflect current operating processes.
- Perform AP, Procard and Journal transaction reviews for assigned programs to ensure compliance with MOMS, internal controls, and accounting treatment.
- Draft and update existing processes and procedures to improve and implement a standard of controls.

### **Level II**

- Implement and monitor internal controls against established structure. Identifies anomalies, risks and solutions as needed. Recommends changes to internal control structure where necessary.
- Review and monitor the implementation status of internal control protocol, to ensure proper and consistent application.
- Provide internal control training and guidance, for division/district staff of assigned programs as appropriate.
- Provide technical clarification and interpretation to Program staff related to GAAP, state policy (MOMs) and federal regulations (CFR).

### **Level III**

- Formulate and implement internal control structure for Departmental programs in collaboration with ATS supervisor.
- Provide technical assistance to division/district financial contacts in interpreting and monitoring established internal controls to ensure proper and consistent application. Research and provide documentation of adequate internal controls in comparison to MDT practices.

- Formulate and interpret higher-level rules and guidelines and communicate to the divisions; provides training as necessary to division/district staff. Research and analyze federal and state regulations and policy; compare analysis to current MDT processes and make recommendations where necessary. Communicate findings and interpretations with program personnel.
