

APPENDIX C

MONTANA WILDLIFE & TRANSPORTATION PARTNERSHIP PROJECT PROGRAM

PROJECT APPLICATION ATTACHMENTS

These attachments are part of the application and are required for both less and more complex projects as described above, unless otherwise noted below.

I. APPLICATION INFORMATION

- ☐ List of immediately adjacent and directly impacted landowners, addresses and contact information from MT Cadastral.

II. PROJECT INFORMATION

- ☐ Map (one or more) that includes:
 - ☐ Extent of project, including context (relation to major landmarks or towns), county boundaries, etc.
 - ☐ Mile markers
 - ☐ Indication of public and private property
 - ☐ Conservation easements

III. NEEDS and BENEFITS

A. Describe the PURPOSE and NEED of your project.

No attachments needed.

B. Describe and provide the DATA that support your project purpose and need.

- ☐ List and provide citations for relevant sources, references, or data summaries and analyses that were referred to within Section III.B. of the application.
- ☐ Provide data summaries and analyses for the broadscale and fine-scale data (referenced or original) that specifically support your project purpose and need.

C. Describe your PROJECT PROPOSAL. Include detailed description of the specific features and strategies proposed in your project.

- ☐ Aerial photo of project site(s), with general sketches of proposed project features
- ☐ If available, any detailed sketches or plan views that help illustrate the project
- ☐ If available, any pre-project photographs that help illustrate the project

D. Describe the expected BENEFITS of your project (safety/connectivity).

- ☐ Any relevant sources, references, citations, or other documentation from sources referred to within Section III.D. of the application.

IV. PROJECT IMPLEMENTATION

A. Describe the LANDOWNER and COMMUNITY involvement and support of your project.

- ☐ Project endorsements or letters/statements of support, including entity and contact information
- ☐ Other documents indicating landowner and community involvement

B. Describe the LAND PROTECTIONS and LAND USE on the properties adjacent to or directly affected by your project.

- ☐ Relevant sources, references, or documents that are needed to indicate existing or pending land protections and land use in the area.
- ☐ Contact information for these sources as appropriate or available.

C. Describe other PLANNED or COMPLEMENTARY efforts (public or private) that add value to your project.

- ☐ Any relevant sources, references, or documents that are needed to indicate planned or complementary efforts that add value to the project.
- ☐ Contact information for these sources, as appropriate or available.

D. What PARTNERSHIPS are in place in support of your project and what ROLE does each partner play in project implementation?

- ☐ List project partners, affiliation, and contact information.

- ☐ Include any agreements, if relevant.

V. FUNDING

- ☐ Download, complete and submit the Project Budget Worksheet shown in Appendix B for your cost estimate and funding contributions, sources, and status.
- ☐ Use an additional page if needed to describe process and timeline for pending or possible funding contributions. Include a list of additional funding partners, if needed, or other potential funding sources. Include affiliation, title, and contact information.

VI. PROJECT FEASIBILITY and OPPORTUNITY

A. Describe input received from ENGINEERING OR TECHNICAL EXPERTS regarding the reasonable feasibility of your project proposal.

- ☐ Aerial photo of project site(s) showing items described in VI.A of the application, to the extent known
- ☐ Documentation from and contact information for entity(ies)/personnel consulted
- ☐ Engineering evaluations/reports, if completed

B. Describe input received from WILDLIFE BIOLOGISTS, TRANSPORTATION ECOLOGISTS, or OTHER EXPERTS regarding the identified challenge, purpose and need, proposed solution, and expected benefits.

- ☐ Documentation from and contact information for entity(ies)/personnel consulted
- ☐ Biologist/Ecologist notes, evaluations/reports, if completed

C. Describe your proposal for CONSTRUCTION of your project.

- ☐ Contact information for entity(ies)/personnel identified in Section VI.C of the application
- ☐ Additional supporting agreements, estimates, or other documentation, as available

D. Describe your proposal for POST-CONSTRUCTION MONITORING of your project effectiveness and benefit

- ☐ Contact information for entity(ies)/personnel identified in Section VI.D of the application
- ☐ Additional supporting agreements, estimates, or other documentation, as available

E. Describe your proposal for SHORT AND LONG-TERM MAINTENANCE and OPERATION of the proposed infrastructure and features associated with your project

- ☐ Contact information for entity(ies)/personnel identified in Section VI.E of the application
- ☐ Additional supporting agreements, estimates, or other documentation, as available
