Memorandum

To: Distribution

From: Paul Ferry, P.E.
Highways Engineer

Date: August 27, 2010

Subject: Scales on the title Sheet

As a result of the discussion about the scales on Title sheets, I have decided that the scales shown on the Title sheet will be removed. Scales will not be shown on Plan & Profile sheets or cross sections, since horizontal and vertical distances are defined by the grids. Scales can be shown on detail sheets as appropriate. When details are not to scale, include the note "No scale".

Remove the scales from the Title sheets for all plans that have not been submitted to the Contract Plans Bureau by September 15, 2010.

If you have questions concerning this, please contact me at 444-6244.

Pf.
