

# Montana Transportation Alternatives Program

## Hwy 78 Path & Walks—Columbus

### TA 48(55)

### UPN 9449000

**Project scope:** This project constructed ADA-compliant concrete sidewalk and asphalt shared-use path. The purpose of the project was to provide a city-wide connection to the existing shared-use path network and provide connection between Granite Peak Park and Itch-Kep-Pe Park. Three project segments were constructed: a west segment on East Pike Avenue (Highway 306) from Quarry Street to the existing sidewalk; a south segment on Highway 78 from Itch-Kep-Pe Park to 1st Avenue South; a north segment from the intersection of Pike Avenue and Pratten Street to Granite Peak Park including portions along Pratten Street, 1st Avenue North, and Highway 78 (N. 9th Street).

Preliminary Engineering: Sanderson Stewart  
Contractor: Faction Constructors, LLC  
Completed in 2022
