

How to upload an IRS HVUT-Form 2290 and/or a County Registration in the ePART GVW Web Processing

● PERMITWEB15 : [!] By uploading either the Companies HVUT - Form 2290 and/or County Registration form, I understand that the issuance of my GVW Fee Permit will be delayed until this has been reviewed and approved by an MDT Internal User.
● PERMITWEB05 : [!] Supplemental supporting documentation(s) may be required for processing and approval of your permit. Scanned or electronic documents may be directly uploaded using the 'Upload' features on this screen. If supporting document(s) are to be submitted via alternate channel (fax, email, courier, mail) please include a comment indicating the delivery channel you will use including the office where the document(s) will be sent. Ensure these document(s) are clearly marked with the transaction tracking number provided upon submission of your application. Incorrect or missing document(s) may lead to a delay in the approval process.
● GEN4266 : [!] Thank you for your application, it has been submitted for processing. (For Billing screen)
