

eTRIPS Permitting System launches early December

MDT's new permitting system will support an efficient commercial vehicle permitting process

HELENA, Mont. – The Montana Department of Transportation's (MDT) Motor Carrier Services (MCS) Division will be releasing a new Electronic Transportation Routing and Intra/Interstate Permitting System (eTRIPS) on December 8.

eTRIPS system users can expect increased self-issuing capabilities, enhancements to the permitting process, and restriction management for up-to-date construction and maintenance information.

Information regarding the transition to the new system, including training opportunities and account creation, can be found at mdt.mt.gov/business/mcs/.

For more information, please contact the MDT MCS License and Permit Section at 406-444-7262.

MDT is a workforce of over 2,000 people across Montana, determined to do all we can so that you arrive at your destination safely. Our mission is to build, operate, and maintain a safe and resilient transportation system. For more information, visit <https://www.mdt.mt.gov/>
