Subject: Montana 2010-2014 STIP
2010 STIP, Amendment Four

Dear Ms. Zanto:

The Federal Highway Administration (FHWA) has reviewed STIP Amendment Four for the Montana FY 2010-2014 STIP. Amendment Four provides the applicable project numbers along with the phases the Montana Department of Transportation wishes to program. The Missoula FY 2011-2015 Transportation Improvement Program is also being acknowledged. The STIP funding summary table demonstrates fiscal constraint.

A revised air quality conformity finding or transfer of funds between FHWA and FTA is not required. This Amendment does not involve FTA-funded projects. Approval for this amendment is hereby given.

Sincerely,

Kevin L. McLaury, P.E.
Division Administrator
