6. New Business

- Jim Detienne
 1. DPHHS submitting a project to update the trauma registry, but the current state of available options is not very encouraging, as such DPHHS is proceeding with caution, possibly something for 2021
 2. Digital Innovations has an add on for current trauma registry that will enhance users access to connecting data with other data sources. DPHHS is submitting a proposal for TRCC funding. \$22,450.
 3. DPHHS wants to buy this add on ASAP.
 4. **ACTION:** TRCC motioned for approval of this project, and passed the motion.
 5. Application with performance measure(s) to be submitted in the next few weeks. Need to get project details to NHTSA ASAP
 6. Jim retiring in the next couple of weeks, congrats!
- Janet Kenny
