APPENDIX C

DEQ Notice of Intent (NOI) Form
NOI NUMBER (DEQ Will Assign):________________

MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY
WATER PROTECTION BUREAU / STORM WATER PROGRAM
PO Box 200901 / Helena, MT / 59620-0901

NOTICE OF INTENT (NOI) FORM
GENERAL PERMIT FOR STORM WATER DISCHARGE ASSOCIATED WITH
CONSTRUCTION ACTIVITY

IMPORTANT: Before completing this form, all parties need to read the General Permit. For coverage to be valid upon receipt by the Department, all required items on the form must be completed. Responses must be self-explanatory and must not refer exclusively to attached maps, plans, or documents. The Storm Water Pollution Prevention Plan (SWPPP) and appropriate fees must accompany the NOI Form. Do not submit these items separately. Mail this NOI Form to the DEQ address above. The 2002-2006 General Permit, 2002 Fee Schedule, and related forms are available from the Storm Water Program at (406) 444-3080 or http://www.deq.state.mt.us/wqinfo/MPDES/Storm waterConstruction.asp.

I. OPERATOR INFORMATION
List each party participating in the construction activity—from initiation of construction through final stabilization—that will be an operator as defined in Part V.T.8. of the General Permit. (Examples: primary contractor, project owner, site/land owners, consultants, or other contractors, such as the "final stabilization" contractor). For each operator, briefly describe responsibilities (what, when, where) for ensuring compliance with General Permit requirements.

OPERATOR #1
Name: ____________________________________________ Phone: ___________________
Mailing Address: _________________________________ State: _______ Zip Code: _______
Contact Person: ______________________ Phone (if different from above): ______________
Operator #1 Responsibilities: ____________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

OPERATOR #2
Name: _____________________________________________ Phone: __________________
Mailing Address: __________________________________ State: ______ Zip Code: _______
Contact Person: _____________________ Phone (if different from above): _______________
Operator #2 Responsibilities: ____________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

C-2
OPERATOR #3
Name: ___________________________________________ Phone: _________________
Mailing Address: ___________________________________ State: ______ Zip Code: ______
Contact Person: ______________________ Phone (if different from above): ______________
Operator #3 Responsibilities: ____________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
II. INDICATE WHICH OPERATOR IS RESPONSIBLE FOR:
A) Achieving "final stabilization" of the site: ____________________________
B) Submitting the "Notice of Termination" (Specify one operator only): __________________
C) Payment of any subsequent annual fees (Specify one operator only): __________________

III. CONSTRUCTION ACTIVITY INFORMATION (see General Permit for clarification)
A) Construction Activity Name: _________________________________________________
B) Construction Activity Address (or location if no address): _______________________
C) Construction Activity County: _____________________________________________
D) MDT Project Number/Designation (if applicable): _____________________________
E) Construction Activity Latitude and Longitude (See Part I.C.2.d. of General Permit): ______
F) Number and Names of Receiving Surface Waters (See Part I.C.2.e. of General Permit.
Describe clearly. The number of named or perennial receiving surface waters must be determined
for you to calculate the fee in item "H" below. Attach
USGS topographic map showing project location and surface waters as required in Part I.C.2.g. of
the General Permit): __________________________________________________
____________________________________________________________________________
____________________________________________________________________________
G) Type of Construction Activity Fee (see Part I.C.2.j. of General Permit): ________________
H) Indicate the Application and First Year Annual Fee Amounts Attached:
Application Fee Amount: _________ Annual Fee Amount: _________ Check No.: _________
I) Brief Description of Purpose and Nature of Construction Activity: ____________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
J) Estimated Construction Activity Start Date: _________________________________
K) Estimated Construction Activity Completion Date: _____________________________
L) Estimated Final Stabilization Completion Date: _________________________________
M) Estimate of Total Acreage of Construction-related Disturbance: __________________
N) Has a Storm Water Pollution Prevention Plan been developed according to Part IV of the
General Permit and submitted with this Notice of Intent? YES ___________ NO ___________
IV. CERTIFICATION

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine or imprisonment for knowing violations."

________________________________                  ____________________________
Print Name of Operator #1 or Authorized Representative  Title

________________________________                  ____________________________
Signature of Operator # 1 (Name must match that above)  Date

________________________________                  ____________________________
Print Name of Operator #2 or Authorized Representative  Title

________________________________                  ____________________________
Signature of Operator #2 (Name must match that above)  Date

________________________________                  ____________________________
Print Name of Operator #3 or Authorized Representative  Title

________________________________                  ____________________________
Signature of Operator #3 (Name must match that above)  Date
