Public Invited to Participate in Virtual Public Meeting for the Billings Bypass Project

The Montana Department of Transportation (MDT) is conducting virtual public meetings to discuss the Billings Bypass project.

Billings Bypass Virtual Public Meeting

July 2, 2020

11:00 am or 5:30 pm

Registration is required. Register at:

<https://www.mdt.mt.gov/pubinvolve/billingsbypass/>

MDT and design team representatives will be providing a general project overview and timeline with additional detail on the ongoing Railroad Overpass and Johnson Lane Interchange project segment designs. A question and answer session will be offered following the project information.

New right-of-way acquisitions are anticipated on the project. Project team members will be in contact with affected property owners to offer additional information.

MDT is using virtual meetings rather than in-person meetings due to concerns about community health and safety during COVID-19. MDT, together with its construction contracting partners, is taking the COVID-19 pandemic very seriously. Construction projects on Montana's roads and bridges are considered an "essential" operation and will move forward as scheduled in 2020. For more information visit <https://covid19.mt.gov/>.

For more information on the Billings Bypass project and the specific project segments, please visit: <https://www.mdt.mt.gov/pubinvolve/billingsbypass/>.

Comments, questions or concerns can be directed to Public Involvement Manager Lisa Olmsted at billingsbypass@dowl.com or by calling (406) 294-9668.

The Department of Transportation will make reasonable accommodations for persons with disabilities who wish to participate in this virtual public meeting or need an alternative accessible format of this notice. If you require an accommodation, contact the Department of Transportation no later than June 30, to advise us of the nature of the accommodation that you need. Please contact Matt Maze, Office of Civil Rights, P.O. Box 201001, Helena, Montana
