Great Falls Subarea

Why is MDT studying the Great Falls Subarea?

Building on the recent 2024 *Great Falls Area Long Range Transportation Plan*, MDT will assess state routes impacted by the **US Air Force Sentinel** project and **Malmstrom Air Force Base** construction activities, along with **other developments** planned in the area. The subarea analysis will identify **recommended improvements** to address operational and safety concerns.

What is the status of the Great Falls Subarea analysis?

The Great Falls Subarea will be assessed as part of a **future task** once anticipated military and development details are known.
