

Gore Hill

INTERCHANGE
EXIT 277

- 1 An additional southbound lane will be added to I 15 between the 10th Avenue South and Gore Hill interchanges. The lane will exit with the southbound Gore Hill interchange off-ramp.
- 2 Two single-lane roundabouts will be added at the 31st Street SW and I 15 on- and off-ramps.
- 3 The overpass will be moved to the east and replaced by a new bridge with wider lanes and shoulders.
- 4 Sidewalks will provide pedestrian access between the roundabout intersections.
- 5 Tri Hill Frontage Road will be removed and relocated to the south. The intersection of Tri Hill Frontage Road and 31st Street SW will be relocated to the south.

The new bridge design and roundabouts will accommodate over-sized trucks through the intersections.
