**VISION ZERO**

zero deaths · zero serious injuries

**MONTANA DEPARTMENT  
OF TRANSPORTATION**

# TRAFFIC IMPACT MAP

The Montana Department of Transportation together with its construction contracting partners are taking the COVID-19 pandemic very seriously. Construction projects on Montana's roads and bridges are considered an "essential" operation and will move forward as scheduled in 2020. While construction workers traveling to a worksite are exempt from the 14-day self-isolation travel rules, several measures have been implemented to help keep employees, contractors, and the public safe during the construction season. Some of the measures include following social distancing and good hygiene guidelines, and not reporting to work if showing symptoms of illness. For more information visit <https://covid19.mt.gov/>

When traveling during construction season, watch for the "cone zone" and for workers on the highway. Remember to manage your speed, space, and stress. The vision for Montana is Zero – Zero Fatalities and Zero Serious Injuries on any public road in the State.

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.
