

## US Highway 93 Construction BEGINS OCTOBER 31.

The Montana Department of Transportation and Riverside Contracting, Inc. will begin work on the Ronan – North project on Monday, October 31. The project will reconstruct US Highway 93 starting at Round Butte Road, extending north for approximately 1.5 miles. This fall’s activities will focus on preparations for full construction in Spring 2023. The project’s timeline is subject to change due to weather and other unforeseen factors.

The same content will be provided during both sessions. No formal presentation will be made during the in-person event, and attendees are welcome to drop by any time. The virtual event will have a brief presentation followed by a Q&A session.
