

# WELCOME

## Woodland Ave and 2nd St E/Conrad Dr Intersection Improvements

OPEN HOUSE

*Thank you for coming and  
sharing your thoughts*

# PURPOSE - SAFETY

**Reduce  
number of  
crashes**

**Reduce  
severity of  
crashes**

**Improve walking  
& bicycling  
environment**

# OPPORTUNITIES

- Minimize Steep Slope
- Fix Skewed Intersection
- Improve Sight Distances
- Add Pedestrian & Bicycle Crossings/Facilities
- Maintain 25mph Speed Limit
- Minimize Impacts to Adjacent Residences, Park, and Historic Properties
- Accommodate School Buses

# WE ARE LISTENING TO YOU

People run  
the stop signs

The intersection  
functions well  
and is safe – no  
improvements  
needed

**The intersection  
needs improving**

Nearby schools  
and parks –  
consider  
people walking  
and biking

**Roundabouts  
are safer**

**A roundabout  
in the winter  
won't work**

**School  
buses use  
this route**

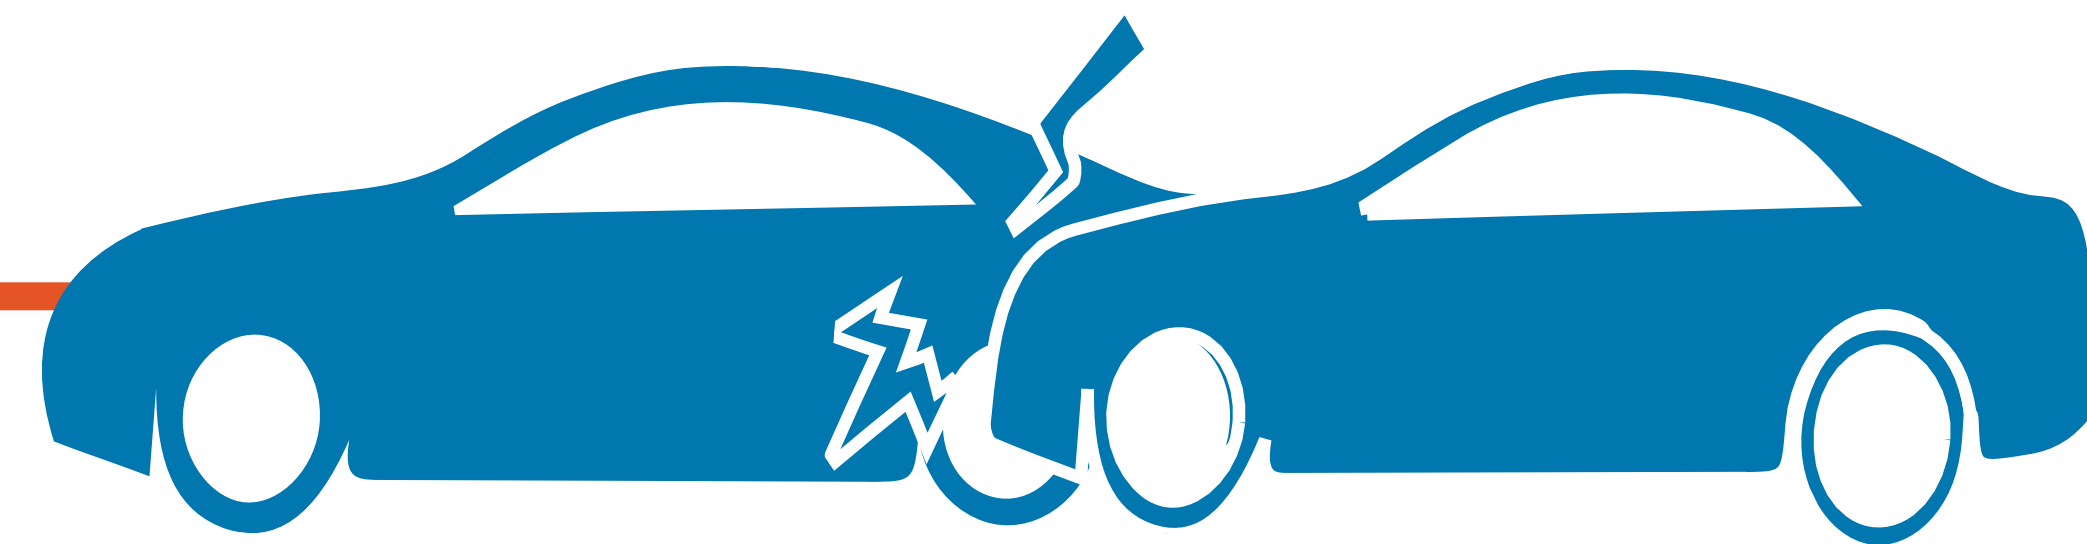

No  
roundabout
