PASSING ALONG THE CHERISHED CULTURE AND TRADITIONS OF OUR PEOPLE STARTS BY PROTECTING OUR FUTURE GENERATIONS.

Keep our children safe on the road by ensuring they are properly buckled, using the correct car seat for their age and size, and insisting everyone in the vehicle uses their seat belt every time. With American Indians representing about 18 percent of the motor vehicle crash deaths each year in Montana, it's time to make using seat belts part of the traditions we pass down.
