

Flashing yellow arrows are being added to many intersections in Bozeman and throughout Montana.

Get to Know the Flashing Yellow

When entering the intersection please:

- ◀ **SLOW DOWN**
- ◀ **YIELD** to oncoming traffic and pedestrians
- ◀ **TURN** left when it's safe

A FLASHING YELLOW LEFT-TURN ARROW MEANS: < Slow down < Yield to oncoming traffic and pedestrians < Turn left when it's safe

Left-turn crashes are often the most severe crashes at intersections.

Flashing yellow arrow signals keep traffic flowing smoothly and lead to fewer crashes. The signal directs motorists to turn left when there's a safe gap in traffic. For more information on how to drive through an intersection with a flashing yellow arrow visit www.mdt.mt.gov/visionzero/roads/flashingyellowarrows.shtml
